MEMORANDUM FOR THE NATIONAL FOREIGN INTELLIGENCE BOARD

FROM: George Bush

SUBJECT: Key Intelligence Questions (KIQs) for FY 1977

1. I have asked my Deputy for the Intelligence Community to review the KIQ system and propose those revisions that appear appropriate to further develop a systematic program for focusing intelligence activities on issues of urgent policy concern.

2. Pending the outcome of the review now under way, the KIQs for FY 1976 will continue to be the focus of attention by Community collection and production components during the transitional quarter FY 1976/77. I anticipate that a revised set of KIQs will be put into operation as we enter FY 1977 on 1 October 1976.
